

Sample Job #1234

Please be overly generous with descriptions and include item numbers when writing down your choices for a particular item so we may order correctly.

A change in order can significantly change the proposed start date of work. If possible, please list brand and or supplier of the item.

For paint, include color, whether it is latex or oil base, and type of sheen you want (flat, eggshel, satin, matte, etc.) We recommend premium grade, NO or LOW VOC paint.

Please ask us if you have any questions: (217) 344-5131 or office@newprairieconstruction.com
